

 Association Uni'sons

Festivals

MONTPELLIER - Mosson

Uni'Sons is an association running cultural projects in five complementary fields:

- the Arabesques Festival about the various Arts in the Arab World
 - Hip-Hop dance classes
 - Renc?Art Paillade: meetings between experienced artists and young people :
 - Support to artists who begin to work in the field of present day music: Music Social Club Program
- The association is attached to its local work but is as well opened to the world with projects on a scale of the town, the department or the region but as well abroad. Moreover, she makes an Information Point on Current Musics (associated with LAM34 network) available to the public. Consulting on the premises: books, articles, Internet&Research posts, computer&audio monitoring station
