CASTELNAU-LE-LEZ - Odysseum

The Business Center L'Espace Entreprise de Montpellier, is offering you the following services:

- 1,000 m² dedicated to the businesses
- rental of modular meeting and training rooms, fully furnished. Perfect for your business meetings, your recruitments and your trainings, these rooms are provided with the latest equipments (videoprojectors, WiFi, optic fibre, etc)
- rental of offices (hourly, daily, weekly). Ideal solution for your interviews, business appointments, these offices are comfortable and professional workspaces whether you are just on a business trip or want to establish your business here.
- A videoconferencing system able to be carried in any of our offices or rooms. We are the first company to offer this service in its facilities to rent in Montpellier. This service is now accessible to companies wishing to use it without having a need to justify an investment in a permanent system and for the visiting professionals wishing to organize remote meetings with their company or their colleagues.

Every other business services available on request.

The building of l'Espace Entreprises was also conceived in order to provide the best comfort and a total access to persons with a disability. Indeed all floors are serviced by a lift and the floors are equipped with an additional ramp and reflective tape. Finally all the rooms and offices doors are designed to facilitate the passage of the wheelchairs. Disabled toilets are available at all floors.

Also the building has been designed in an Eco-responsability process because it was conceived in order to respect all the sustainable development standards. The building is producing 50% of its electricity needs and has been studied to optimize its energy consumption. We also favors the installation of technologies reducing the consumption of paper and consumables.
