

Festival of Live Architecture

Festivals

Montpellier - Montpellier

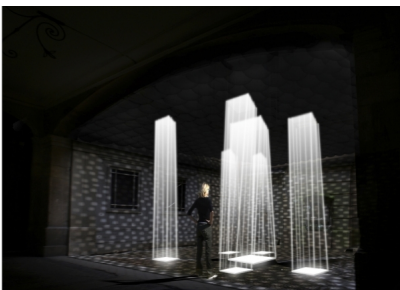

In Montpellier Downtown - 15-19 June 2011

Browsing the downtown with a new look, thanks to "the Festival of Live Architecture".

The city of Montpellier has more than seventy private mansions in the city center.

The aim of the " Festival of Live Architectures" is not only to open mansions (often private) during these event in the downtown but also to make discover to the visitors the work of the younger generation of architects, landscape architects, urban planners, designers ...

The Festival offers an unusual journey of exploration architecture where each site reveals an intimate relationship between contemporary architecture and heritage. Discover 10 locations apart from a new angle.

Opening periods

Festival 15-19 June 2011
