MONTPELLIER - Montpellier

Situated at 15 mn from Montpellier aeroport, 10 min from station and 5 min from town center, Le Jardin des Sens, Relais & Châteaux, is the ideal place for a business or vacation stay.

An up-to-the-minute setting, with a comfortable feel, the architecture is full of character with its unique design providing a laid back way of life. Elegance and prestige. Pure lines, reassuring comfort, so you can find yourself suspended in time.

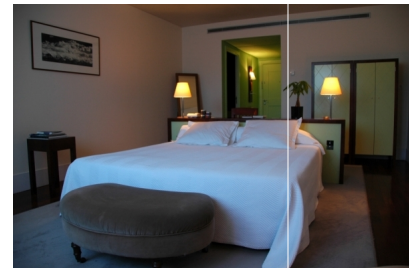

The Montpellier restaurant, awarded two Michelin stars, is one of the gastronomic references of the South. The twin chefs Jacques & Laurent Pourcel, enthusiastically and skilfully celebrate the southern, languedoc and Mediterranean flavours.

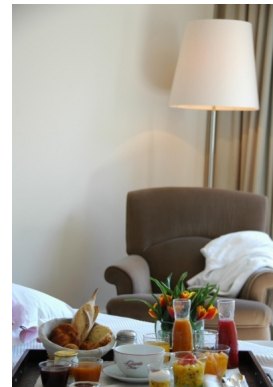

Luxury rhymes with simplicity in an atmosphere where one feels relaxed...

Outside, overlooking the scented garden, an 11m pool and its surrounds provide the perfect setting for relaxation, as well a jacuzzi for your relaxation and well-being.

You can start your day with breakfast on the terrace, or, depending on the season, relax here in the afternoon stretched out on a sun-lounger, sipping a cocktail; or simply enjoy a drink here before dinner.
