

 **Le Jardin des Sens**

Gastronomical restaurant
MONTPELLIER - Montpellier

A cube of glass sits in the Mediterranean garden. This is a place combining contemporary art and the creative cuisine of two pairs of hands. The twins, Jacques & Laurent Pourcel, evoke the spirit of the South in an urban/chic environment.

Fine food restaurant, a member of the chain 'Relais & Châteaux'.

This Montpellier restaurant is one of the gastronomic references of the South on the strength of a constantly evolving cuisine, awarded one Michelin stars.

The ?à la carte? and menus, signatures of Jacques & Laurent Pourcel, enthusiastically and skilfully celebrate the southern, languedoc and Mediterranean flavours.
