

Music- "Les Internationales de la Guitare"

Festivals

MONTPELLIER - Montpellier

September- October 2011

This unique event in Europe reveals the richness of the guitar and presents famous musicians from around the world. An eclectic and popular festival, its also a moment for great musical encounters. More than just concerts, other events and activities are organised, such as the Crazy 24 Hours: a music marathon driven by the sound of guitars !

Opening periods

September- October 2011
