

Prieuré Saint Michel de Grandmont

Abbey and cathedrals
LODEVE - Département

The most important place in Languedoc where several civilizations followed one another. Classified as a historical monument, it is a marvellous 12th century building only one of order of Grandmont to be preserved, which makes it of particular historical and architectural interest. In a peaceful and serene setting, you will discover several dolmens dating from the 3rd millenary, as well as ritual megalithes and wisgothics sarcophagus.
